- add a new record
- edit a record
- delete a record
- removes all loaded records.
- generate adif file to upload to different platforms.
- send the records to eQSL
- send the records to Log the Argentina (only for Argentine licenses)

Upload contacts to eQSL.

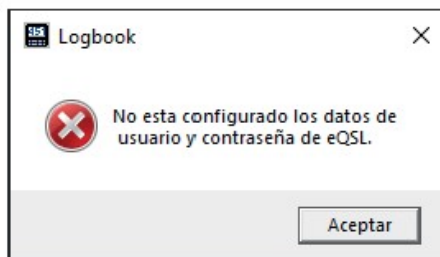

Sending the records to eQSL.

pressing yes
sends eQSL.

when the contacts are sent
to eQSL, it reports the
result of the operation.

This window informs you that you need to configure
your data to enter eQSL in the configuration tab.

Upload contacts to LDA (only in national version)

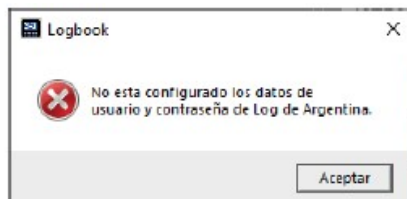

Sending the logs to Argentina Log.

pressing yes, Argentina Log is sent.

when the contacts are sent to LDA,
it reports the result of the operation.

This window informs you that you need to configure your data to enter LDA in the configuration tab.

Program settings.

Configuration.

The screenshot shows the 'Configuración' (Configuration) window of the 'Cliente PEANUT Version 1.16 por Fernando LW6EMN'. The window is divided into several sections:

- General:** Includes fields for 'Estación' (LW6EMN), 'Mensaje' (Hola !!), 'DMR id' (7221071) with a 'Query' button, 'Codigo' (****), and 'Servidor' (Global). There are checkboxes for 'Siempre arriba' and 'Beep'.
- Otras configuraciones:** Includes fields for 'Cuenta de Log de Argentina (solo Argentina):' with 'Usuario' (lw6emn@lu4aa.org) and 'Contraseña' (*****), and 'Cuenta de eQSL:' with 'Usuario' (lw6emn), 'Contraseña' (*****), and 'Nombre QTH' (Casa). There is a 'Grabar' button.
- Configuración de Audio:** Includes 'Entrada' (Microsoft Sound Mapper - Input) and 'Salida' (Microsoft Sound Mapper - Output).
- Idioma:** A dropdown menu set to 'Spanish'.
- Bottom Bar:** Displays 'LW6EMN', a speaker icon, and the time 'UTC 01:59:38' and 'LT 22:59:38'.

Annotations with red lines point to various elements:

- 'Licence' points to the 'Estación' field.
- 'Button to consult the dmr id in radioid.netCode' points to the 'Query' button.
- 'Peanut Data to enter the Log of Argentina Data' points to the 'Cuenta de Log de Argentina' section.
- 'Your Peanut Code' points to the 'Codigo' field.
- 'Your login details for eSQL' points to the 'Cuenta de eQSL' section.
- 'eSQL Button to save configuration. You have to close and re-enter for a new configuration to be loaded.' points to the 'Grabar' button.
- 'Screen stays up' points to the 'Siempre arriba' checkbox.
